Innsbruck, summer term 2023

Dear Parents!

As the new board of the Parents' Association at the Akademisches Gymnasium Innsbruck, we would like to present our activities to you today and take the opportunity to drum up support for your membership.

We need your support!

The Parents' Association at the AGI had 387 members before the outbreak of the Covid 19 pandemic. This was our highest level ever, and here we were able to help in many ways. During the Corona Crisis, school activities were limited and so were our opportunities for support. As a result, membership dropped dramatically. **Now, however, the help of the Parents' Association is again urgently needed. The number of parents who are in need of unbureaucratic, financial help is unfortunately also increasing at our school.** The Parents' Association is financed exclusively by membership fees, so we ask for your support. **With your (minimum) contribution of € 15 you become a member.**

What we do:

- We **support students** who could not afford to participate in school events (e.g. ski camps, sports weeks...). For this purpose you can find an application form on our homepage.
- We **represent the interests of the parents** at the school. We are part of the school community committee (SGA). We are involved in decisions about school events, school autonomous days, cooperation with other schools or extracurricular institutions, and the distribution of teaching materials.
- We put **suggestions from students and parents into practice** whenever possible, for example by financing beanbags or outdoor furniture, as well as a vending machine for hygiene products at the school.
- We **promote a good climate at the school**, for example at school events, where we are on hand to provide support.
- This year we are again organizing a **typing course** at the VHS for the students of the AGI at special rates.
- We **organize lectures** on exciting "parent-specific" topics.

THIS IS HOW YOU SUPPORT THE PARENTS' ASSOCIATION

Please transfer the **membership fee of EUR 15, - / school year / family (additional voluntary donations are very welcome)** to our account:

**Parents' Association at the Akademisches Gymnasium Innsbruck
Angerzellgasse 14, 6020 Innsbruck
IBAN AT89 2050 3000 0000 6205**

Please also note your e-mail address and name(s) and class(es) of your child(ren) when making your payment, so that we can allocate your donation accordingly.

THANK YOU!

YOUR BOARD OF THE PARENTS' ASSOCIATION

Ayse Maluhan (Obfrau)
